Thank you for your continued membership and support of the Kentucky Association for Gifted Education (KAGE). KAGE is currently accepting nominations for the role of President-Elect on the KAGE Board of Directors.

Any KAGE member in good standing may submit a nomination for a qualified candidate for President-Elect. Candidates must meet the criteria established by the KAGE Board, including having served at least one term on the KAGE Board of Directors, as outlined in Article VII, Section 7.1 of the KAGE Bylaws.

The nomination window will remain open through **Wednesday, August 12, 2026, at 11:59 p.m. CT**. Following the close of nominations, a slate of eligible candidates will be assembled in preparation for an election in August. Election results will be ratified during the Fall KAGE Board Meeting in September/October, and service will begin at the business meeting held during the KAGE Annual Conference in February.

All members of the Board of Directors must be members in good standing with KAGE at the time of their nomination and election or appointment and must remain so throughout their terms.

The responsibilities of the President-Elect are to:

Work closely with the President to learn the duties of the presidency.

Chair the Election and Nominations Committee in alternate years when there is no Past President.

Represent KAGE to other associations, groups, and organizations as requested by the Board and the President.

Preside at meetings of the Board in the absence of the President.

Participate in the annual review of the Executive Director's performance and determine compensation and other financial arrangements for the Executive Director.

This will be a one-year role that transitions into a 2-year Presidency, followed by a 1-year role as Past President (for a total commitment of 4-years).
